Education

- Mar 2017 – Mar 2017* **The Ruggiero II University - Studiorum Universitas Ruggiero II**
University Degree, Doctor in Medical Science (Honoris Causa)
Rome, Italy
- Oct 2012 – Oct 2012* **U.O. Medical Oncology University Hospital Consortium University of Bari**
Tutor, FIRST TRAINING IN ULTRASOUND CLINIC
Ceglie Messapica (BR), Italy
- Jan 2012 – Dec 2013* **Sapienza University of Rome**
Master's degree, Master in Breast Diagnostics and Therapeutics
Rome, Italy
- Sep 2011 – Sep 2011* **AORN Cotugno Hospital, Napoli, Italy**
Certificate of attendance, V National Master of Ultrasound and Eco
interventional gastroenterology
Naples, Italy
- Jul 2010 – Jul 2010* **AORN Cotugno Hospital, Napoli, Italy**
Certificate of attendance, National Master in Interventional Ultrasound of the
liver and contrast media CEUS
Naples, Italy
- May 2009 – May 2009* **Check-up diagnostic center, Salerno, Italy**
Certificate of attendance, Course in Ultrasound Breast Imaging Diagnostic
Italian School of Senology - President Prof. Umberto Veronesi
Salerno, Italy
- Jun 2007 – Jun 2007* **AORN Cotugno Hospital, Napoli, Italy**
Certificate of attendance, National Master in Interventional Ultrasound of the
Liver
Ravello, Italy
- Feb 2006 – Feb 2006* **European Federation of Societies for Ultrasound in Medicine and Biology,
London**
Certificate of MEMBERSHIP, Certificate of MEMBERSHIP EFSUMB
London, England, United Kingdom
- Aug 2005 – Aug 2005* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, Doppler ultrasound of School SIUMB National
Certificate
Naples, Italy
- Feb 2005 – Feb 2005* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, XVII National Congress SIUMB Rome
Rome, Italy
- Sep 2004 – Sep 2004* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, Specialist on the Means of Contrast, XVI National

- Congress SIUMB
Sorrento, Italy
- May 2002 – May 2002* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, Ultrasonography in Emergencies - XIV National
Congress SIUMB
Abano Terme, Italy
- Sep 2001 – Sep 2001* **SUN Second University of Naples**
Certificate of attendance, Specialization Course in Minimally Invasive Surgery
Naples, Italy
- Nov 1999 – Nov 1999* **Chair of Nephrology University of Naples**
Certificate of attendance, Dialysis Methods
Naples, Italy
- Jan 1998 – Jan 1998* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, Neonatal ultrasound
Naples, Italy
- Sep 1997 – Sep 1997* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, Echocolor Doppler Certificate
, Italy
- Feb 1997 – Feb 1997* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, National Certificate in Ultrasound Clinic
Naples, Italy
- Apr 1996 – Apr 1996* **SIUMB Italian Society for Ultrasound in Medicine and Biology**
Certificate of attendance, Eco Certified Interventional
, Italy
- Jan 1996 – Jan 1996* **AORN Cotugno Hospital, Napoli, Italy**
Certificate of attendance, Ultrasound Certified and Eco interventional
Naples, Italy
- Dec 1982 – Nov 1992* **University of Naples Federico II**
University Degree, Doctor of Medicine
Naples, Italy

Thesis

Research Experience

- Oct 2017 – present* **FOUNDATION TERESA & LUIGI DE BEAUMONT BONELLI FOR
CANCER RESEARCH**
MEMBER OF THE MANAGEMENT BOARD,
Naples, Italy

MEMBER OF THE MANAGEMENT BOARD

- Jan 2016 – present* **FOUNDATION TERESA & LUIGI DE BEAUMONT BONELLI FOR CANCER RESEARCH**
MEMBER OF THE SCIENTIFIC COMMITTEE,
Naples, Italy
MEMBER OF THE SCIENTIFIC, AND ACTIVE COMPONENT
- Nov 2014 – Dec 2015* **Consultant Diagnostic Ultrasound**
Tortorella Clinical Institute,
Salerno, Italy
- Jan 2014 – Jan 2016* **Company contact Screening Oncology**
ASL Azienda Sanitaria Locale, Salerno, Italy, Screening Oncology
Salerno, Italy
- Mar 2011 – Dec 2015* **Consultant Diagnostic Ultrasound**
Check-up diagnostic center, Salerno, Italy, Diagnostic Ultrasound
Salerno, Italy
Sonographer doctor - Interventional with particular study of contrast media in ultrasound " CEUS " on the focal lesions of direct liver by Prof. A. Giorgio
- Jan 2007 – Dec 2010* **Consultant Diagnostic Ultrasound**
Check-up diagnostic center, Salerno, Italy, Diagnostic Ultrasound
Salerno, Italy
- Jan 2005 – Dec 2006* **Consultant Physician Specialist in Ultrasound Muscle - Tendon and traumatology Sports**
SALERNITANA CALCIO 1919". SPA,
Salerno, Italy
- May 2003 – Dec 2013* **Breast specialist adviser to the SCREENING MAMMOGRAPHY Program**
ASL Azienda Sanitaria Locale, Salerno, Italy,
Salerno, Italy
- Mar 2003 – present* **Medical Director of SCREENING MAMMOGRAPHY Program**
U.O. Radiology - P.O. Hospital Cava de 'Tirreni,
Cava Dè Tirreni, Italy
- Jan 2003 – Feb 2017* **Medical Doctor, Research**
ASL Azienda Sanitaria Salerno, Italy - De Beaumont Bonelli Foundation for
Cancer Research, Napoli, Italy, Breast Cancer Screening
,
- Feb 2001 – Dec 2005* **Consultant Physician of Interventional Ultrasound Echo**
Tortorella Clinical Institute,
Salerno, Italy
- Jan 1998 – present* **Responsible for Diagnostic Imaging: Ultrasound and Eointerventistica -
Medical center conductor Dialysis**

CMM Medical Center Metelliano SRL,
Cava Dè Tirreni, Italy

Apr 1994 – Jan 2000 **Consultant Medical Sonographer - Interventional**
Artemisia Medical Center, Diagnostic Ultrasound
Salerno, Italy

Awards & Grants

- Mar 2017* Award: Honorary Member CYBERMED EUROPE for outstanding scientific achievement and promotion of science (The European Portal of Medical Scientific Information and Research
- Mar 2017* Award: International Award HIPPOCRATES OF KOS for the high professionalism acquired, achieved high merits and the contribution of innovation in health care settings, NORMAN ACADEMY Rome - Italy
- Mar 2017* Award: Membership Certificate The Ruggiero II University - Studiorum Universitas Ruggiero II
- Dec 2016* Award: Universum Medical & Scientific Research 2016. Universum Academy Switzerland. Genova, metro cities Council presents the award room: Dr. Lilli Lauro Regional Councillor Liguria, Italy
- Jun 2016* Award: Citizen of Civic Recognition MERITORIOUS for "High degree conferred under Diagnostic Imaging and the high contribution to the International Medical Research, through the tireless studies on diagnosis Early in Rheumatic and Dermatological field ". Town of Pontecagnano Faiano (SA), Italy
- Apr 2016* Award: Appointment as Member of the Scientific Commission FOUNDATION TERESA & LUIGI DE BEAUMONT BONELLI FOR CANCER RESEARCH Onlus President Professor GIULIO TARRO Foundation Chairman World Academy of Biomedical Technologies (WABT) UNESCO, Paris
- Mar 2016* Award: Conferring DEGREE CAUSE HONORIS in Scientific Research International University of Peace Switzerland - Universum Academy Switzerland (Lugano-CH)
- Aug 2015* Award: International recognition " RADICI " The commitment and love for my land " For the highest contribution to medical research, also appreciated internationally, its discovery in relation to the algorithmic " early diagnosis " in rheumatology and dermatology. Ciro' Marina (KR), Italy
- Jun 2015* Award: Appointment as President of the Commission for the " Project Sundays of Health " ROTARY INTERNATIONAL APUDMONTEM
- Apr 2015* Award: Assignment " Special Award Culture " ALBATROS 2015 - XIII Edition " To contribute to international scientific research, medical writing important pages with the middle man and his right to health and prevention " Naples,

Italy

Skills & Activities

Skills Hepatocellular Carcinoma, Ultrasound Urology, Liver Diseases, Imaging, Doppler Ultrasonography, Cirrhosis, Liver Cirrhosis, Cholangiocarcinoma, Radiofrequency Ablation, Fibrosis, CEUS, Thyroid Cancer, Breast Cancer, Abdominal Ultrasonography, Advanced Ultrasound, Arthrosonography (MusculoSkeletal Ultrasound), Breast Imaging, Breast Pathology, Subacute Thyroiditis, Ultrasound Bowel, Ultrasound Kidney, Contrast Enhanced Ultrasound, Carcinoma in Situ, Interventional Ultrasonography, Elastography, Thyroid, Ultrasonography, Ultrasound Imaging, Sonography, Diagnostic Imaging

Languages English, Italian

Scientific Memberships Founding Member of the Italian Society of Ultrasound in Medicine (SIEMC), MEMBER OF THE MANAGEMENT BOARD FOUNDATION TERESA & LUIGI DE BEAUMONT BONELLI or Research on Cancer, Member of the Scientific Committee FOUNDATION TERESA & LUIGI DE BEAUMONT BONELLI or Research on Cancer

Interests Drums, Saxophone

Publication Highlights

- Ersilio Trapanese, Mariano Agrusta, Ermanno D'Arco, Giulio Tarro: *Insidious Rare Thyroid Microcarcinoma (Black Ink)*. Indian Journal of Applied Research 06/2017; 7(6):67., DOI:10.15373/2249555X [https://www.worldwidejournals.com/indian-journal-of-applied-research-\(IJAR\)/articles.php?val=MTlyMTg=&b1=265&k=67](https://www.worldwidejournals.com/indian-journal-of-applied-research-(IJAR)/articles.php?val=MTlyMTg=&b1=265&k=67)

Trapanese Ersilio, Scognamiglio Umberto, Amato Patrizia, Tarro Giulio: *Preliminary data on the role of contrast enhanced ultrasound (CEUS) in early diagnosis and staging of rheumatoid arthritis*. Journal of Research in International Education 08/2016; 2(8):2.

- A. Giorgio, G. de Stefano, A. Di Sarno, U. Scognamiglio, N. Farella, M. de Stefano, G. Liorre, E. Trapanese, A. De Rogatis, V. Giorgio: *Radiofrequency ablation (RF) of both medium-size hepatocellular carcinoma (HCC) and accompanied main portal vein tumor thrombus (MPVTT) in cirrhotic patients: A case-control study*. Digestive and Liver Disease 05/2009; 41(5)., DOI:10.1016/j.dld.2009.02.023
- A. Giorgio, N. Farella, A. Di Sarno, G. De Stefano, U. Scognamiglio, A. De Rogatis, E. Trapanese, V. Giorgio: *F-8 Hepatocellular carcinoma in cirrhosis extended in the main portal vein: A randomised controlled trial comparing percutaneous radiofrequency ablation of both hepatocellular carcinoma nodules and the portal venous tumor thrombus plus sorafenib with sorafenib alone*. Digestive and Liver Disease 02/2011; 43(3)., DOI:10.1016/S1590-8658(11)60209-0
- A. Giorgio, G. De Stefano, A. Di Sarno, N. Farella, U. Scognamiglio, A. De Rogatis, E. Trapanese, V. Giorgio: *F-5 Hepatocellular carcinoma (HCC) in cirrhosis: Long-term results of percutaneous radiofrequency*

ablation of both the nodule and the portal venous tumor thrombus. Digestive and Liver Disease 02/2011; 43(3)., DOI:10.1016/S1590-8658(11)60208-9
